

REMARKS

Applicants note with appreciation the Examiner's allowance of the present application.

The specification has been amended to delete two unintended references to "status data." Claim 23 has been amended to reinstate material that was unintentionally deleted in a previous amendment. Applicants respectfully submit that amended Claim 23 is no broader in scope than allowed Claim 23. Claim 24 has been amended in order to delete the word "and." As the sole purpose of this amendment to Claim 24 is to correct a typographical error, Applicants respectfully submits that amended Claim 24 has the same scope as unamended Claim 24. Therefore, Applicants submit that no new subject matter has been added by the foregoing amendment and respectfully request that the amendment be entered.

If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
